

### REMARKS

Applicants have studied the Notice of Allowance dated September 8, 2006. No new matter has been added. By virtue of the Notice of Allowance, claims 8, 12-18 and 22-24 have been allowed.

The Applicants wish to thank Examiner Reagan for issue the Notice of Allowance. The Applicants filed an IDS on April 27, 2004 and received by the U.S. Patent and Trademark Office on May 6, 2004 by Group 3600. However, an initialed copy of the PTO-1449 was never received by the Applicants or attached to any Office Actions or the Notice of Allowance to indicate that all of these references were considered by the Examiner. Applicants request that the Examiner consider the references from the IDS filed on April 27, 2004 and send a Supplemental Notice of Allowance attaching an initialed copy of the PTO-1449 form to indicate that all of these references have been considered.

Respectfully submitted,

Date: October 30 2006
